

Turn AI, strategy, and customer growth into lifetime value that compounds.

One advisor has run customer growth at Optus, AI personalization at JPMorgan Chase, and a product P&L from launch to scale.

THE OPERATOR PROOF

One operator has run all three at enterprise scale.

**OPTUS · JPMORGAN CHASE · QUANTUM
· BRAND NETWORKS**

CUSTOMER VALUE

Run **customer growth and retention** across customer bases up to **100M+**.

AI

Built and scaled **AI** from first MVP to **300M+** events a day.

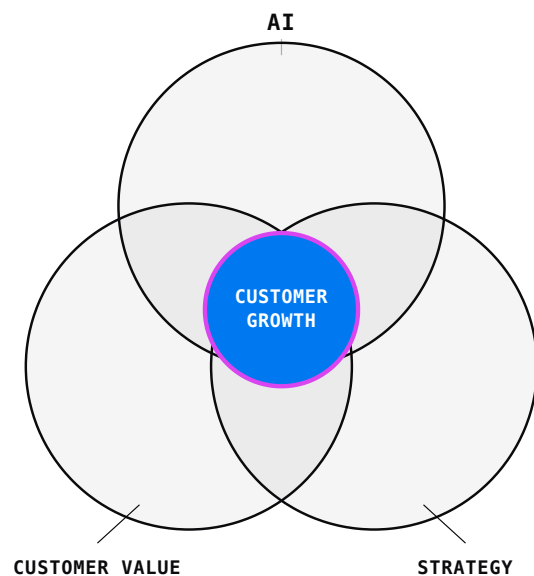

STRATEGY

20+ years owning strategy, budgets past **\$75M**, teams up to **~300**; decisions over **12B+** transactions a year.

MIT Sloan MBA. Applied AI and machine learning, competitive strategy, marketing. 20+ years across Australia and the United States.

EXHIBIT

FIG. 1 · THE INTERSECTION

Most advisors hold one. **The value is where all three meet**, and someone has run that ground.

THE CAPITA GROWTH METHOD

Go, See, Understand → Radically Simplify → Accelerate & Measure → Build & Automate → Compound

The principal who scopes your engagement is the one who delivers it. If you call, that is who picks up.
